PHTHALATE FREE

We Produce Wallpaper Using Premium Eco-Friendly Additives.

For the first in the world, Seoul Wallpaper succeeded producing the premium eco-friendly wallpaper without any Phthalate additive which is known as the endocrine-disrupting chemical.

The Durability Of Wallpaper Against External Environment Has Been Enhanced.

The new premium eco-friendly wallpaper which applied eco-friendly additives not only fundamentally resolved the harmfulness of endocrine-disrupting chemical but also drastically improved the issue of discoloration or stains from the existing wallpapers.
